CONDITION OF STAMPS IN COLLECTIONS & ACCUMULATIONS:

- Any such lots may contain some material with faults, which is taken into account when setting the reserves & estimates on such lots.
- Description of condition of such lots is on the basis of what is the prevailing condition of the material ie: "Mostly F-VF" means some faulty items as well.
- As is the rule with all public auctions; collections, accumulations & mixed lots are not returnable.
- We encourage bidders to view such larger lots before auction, have somebody view for them, or ask us for extra information.
- We are always happy to answer any queries about specific stamps that are in a particular lot & their condition and/or provide photocopies or scans of key items.
- Also, we are happy for bidders to phone us during the viewing times (but not on auction day!) and ask for expanded description of any lots. One of our describers will then take out the lots and go through it with you on the phone answering any questions about contents, condition etc.

CONDITION OF COVERS / CARDS etc:

Postally used covers/cards can be expected to show some wear consistent with their age and travel through the mails such as light filing folds, backflap or edge faults from opening, slight reductions etc. Unless severe these will not be mentioned, and are not grounds for returns.

- 3106 **1857-61 Arms 9d deep blue embossed**. VFU on piece with blue "crown / 8 NO / Natal" cancel of Durban, nice deep colour. SG 6 cat €7000+ = A\$45,000. The embossed issues of Natal have been unjustly shunned by many collectors in the past, as they are not exactly attractive, the design being embossed (often weakly) rather than printed. However, the 2 top values rank among the rarest of the classic issues of the world, and are in fact rarer than such more famous items as the Hawaii 5c or 13c "Missionaries". Of the 9d it is estimated that there is a total of less than 30 genuine examples in existence, most of which are in rather poor condition, and hardly any would be sound examples on piece as this stamp is. An important classic rarity! 1921 RPSL & 2006 Ceremuga photo-certs. (P) \$3500.....\$5000
