## **CONDITION OF STAMPS IN COLLECTIONS & ACCUMULATIONS:**

- Any such lots may contain some material with faults, which is taken into account when setting the reserves & estimates on such lots.
- Description of condition of such lots is on the basis of what is the prevailing condition of the material ie: "Mostly F-VF" means some faulty items as well.
- As is the rule with all public auctions; collections, accumulations & mixed lots are not returnable.
- We encourage bidders to view such larger lots before auction, have somebody view for them, or ask us for extra information.
- We are always happy to answer any queries about specific stamps that are in a particular lot & their condition and/or provide photocopies or scans of key items.
- Also, we are happy for bidders to phone us during the viewing times (but not on auction day!) and ask for expanded description of any lots. One of our describers will then take out the lot and go through it with you on the phone answering any questions about contents, condition etc.

## **CONDITION OF COVERS / CARDS etc:**

Postally used covers/cards can be expected to show some wear consistent with their age and travel through the mails such as light filing folds, backflap or edge faults from opening, slight reductions etc. Unless severe these will not be mentioned, and are not grounds for returns.

Both the KGVI \$25 & \$100 of this set were issued in 1940 for use on airmail letters & parcels, the \$25 was only listed by SG in recent years, & while the \$100 is not yet listed we expect it to be in the future as a postally used example on piece was discovered & sold at auction for \$20,000+. The \$100 is in effect of the same status as the KGV \$100, with both being meant for fiscal use, & the KGVI stamp is much rarer. For comparison of the value the SG cat of both KGV \$25 & KGVI \$25 are the same at £1400, & as SG cat for the KGV \$100 is £12,000, the rarer KGVI \$100 should also be rated at least at £12,000. ## I S Wright Melbourne and I S Wright Adelaide shops to close.

Adelaide shop opened in 1983 when the old LB Nugent shop was purchased, with Grant Morton appointed as manager. He was still the manager, to the end, a position he has held for 38 year, except the period 1988 – 1992 when he ran his own business and for that time the shop was managed by Steve Nugent.

Time waits for nobody and Grant has decided it is time to retire. The shop lease runs out in mid July, 2022 and I have decided it is an opportune time to wind up the business in Adelaide. The shop doors have closed but if you have coins for sale or auction we are still there to help you, as we are still keen buyers. Ph 08 8223 7603

Charlie Sheng, Grant's very knowledgeable assistant will be moving from Adelaide to Sydney to work in the I S Wright Sydney coin shop, help with internet sales and write up lots for Status International Coin Auctions.

The good news is Adelaide customers will still be able to purchase coins from Charlie and a member of the I S Wright staff will make regular visit to Adelaide to buy coins and banknotes outright and to pick up Stamp and Coin consignments for Status International auctions. More details will be emailed to South Australian clients.

Melbourne shop opened in 1981 when I purchased the shop from Coin Buyer's International. On opening Derek Tomsett was appointed manager, followed by Lawrie Nugent, Steve Nugent and then Bill Baker, all well known dealers in their own right. Dave Carr became Manager in 1999 and is still manager to this day, 23 years later.

The lease on Melbourne shop is due to expire in the near future. Having recently lost his excellent assistant Nichola Hilson when she returned to England, Dave has decided it is time to call it a day on retailing and having to answer the same "How much is my \$2 coin worth, every day", 10 times a day. I don't blame him. We will close the shop doors on July 31 but will still be working in the shop until the end of August. We are definitely still keen buyers so don't delay, bring in any treasures you wish to sell or consignments for auction.

I am pleased to advise that when the shop closes, Dave will also be moving to Sydney to work at times in the shop and as an auction describer for Status International.

Melbourne shop customers will still be able to buy coins through Dave and he will make regular trips to Melbourne to buy coins and banknotes and pick up consignments for auction. Make sure he has your contact details.

What about the Melbourne and Adelaide coin and banknote stock? It is time for me to down size. The stock will be brought to Sydney and be offered for sale, primarily via Status International coin auctions. A range of interesting material will be allocated to the Sydney retail shop.

The I S Wright Sydney shop opened in 1990 when I bought the Martin Daniels shop from Jeff Andersen. Dave Allen worked with Jeff and I subsequently appointed him manager. Dave was the Sydney manager for 29 years until ill health forced him to retire in 2018.

I would like to publicly thank Dave Allen, Grant Morton, Dave Carr and Charlie Sheng and all my other loyal employees past and present for their sterling service in running the I S Wright Retail 'Empire'.
