## **CONDITION OF STAMPS**

### **IN COLLECTIONS & ACCUMULATIONS:**

- Any such lots may contain some material with faults, which is taken into account when setting the reserves & estimates on such lots.
- Description of condition of such lots is on the basis of what is the prevailing condition of the material ie: “Mostly F-VF” means some faulty items as well. Our descriptions will usually not specify the condition of individual items included in collection lots, nor will we specifically mention any faults/defects that they might have.
- As is the rule with all public auctions; collections, accumulations & mixed lots are not returnable.
- We encourage bidders to view such larger lots before auction, have somebody view for them, or ask us for extra information.
- We are always happy to answer any queries about specific stamps that are in a particular lot & their condition and/or provide scans of better items.
- Also, we are happy for bidders to phone us during the viewing times (but not on auction day!) and ask for expanded description of any lots. One of our describers will then take out the lot and go through it with you on the phone answering any questions about contents, condition etc.

### **CONDITION OF COVERS / CARDS etc:**

Postally used covers/cards can be expected to show some wear consistent with their age and travel through the mails such as filing folds, backflap or edge faults from opening, slight reductions etc. Unless severe or affecting stamps, these will not be mentioned, and are not grounds for returns.

**2915 1901 British South Africa Company Arms £20 yellow-bistre,** ultra-high value, LR cnr marg with sheet no 37. Superb fresh MUH, with pristine never hinged original gum, excellent centring & beautiful bright colour. Scott 75A cat US\$22,500+++. SG 93a cat £16,000 for M, so should be at least double £32,000+. The vast majority of the £20 value were used fiscally with various cancels, some of which have been cleaned/repared/regummed & then fraudulently offered. While there are some cheap sound UN examples of the £5 & £10 values available from company display boards & from BSA company archives, there are no such examples of the £20, & furthermore no examples exist opt/perf specimen, nor any postally used or CTO. Therefore, genuine mint original gum examples of the £20 value rank as one of the great high value rarities of the British Empire, & almost all of the major collections of British Empire sold in the last 20 years have lacked a genuine mint example. While in perfect MUH original gum condition only 2 examples are recorded - we previously sold the other example for \$33,000+commission in our auction 368. Unique opportunity to obtain this unique positional piece of this high denomination rarity. 2006 BPA photo-cert for pair this stamp came from, while diff new certificate can be obtained on request.
